

## ***Comic Book Artist & Alter Ego (vols. 2 & 3) Bibliography (Comics Stuff #8)***

by Michael Rhode

February 2001

*Comic Book Artist*, focusing on the Silver and Bronze Ages of comics, roughly 1958-1976, is the second magazine published by TwoMorrows. *Alter Ego* vol. 1 was originally a 1960s fanzine. Roy Thomas resurrected it with vol. 2 in 1998 as the flip book of TwoMorrows' *Comic Book Artist*. In 1999, vol. 3 spun off into its own magazine. All of these articles will be, and many others from different sources are, listed in the *Comics Research Bibliography* by John Bullough & Mike Rhode available on line at: <http://www.rpi.edu/~bulloj/comxbib.html>. Pete Coogan recently informed me that he is compiling an index of both publications. *Comics Stuff* is an occasional publication showcasing aspects of comics collecting and indexing beyond the comic book and toy price guides. Originally compiled for APA-I #89 & 90.
